"She will bear a son and you are to name him Jesus." Joseph heard these prophetic words in a dream. They were words of anticipation, of what was to come. And in a sense, they ushered in a kind of Advent for Joseph. With this divine message, Joseph began a period of holy waiting. He now knew that the Messiah was going to be coming into his own home, and he had just nine months to prepare! We can only imagine how Joseph might have spent these precious days. Most likely he did more than prepare a physical home for his soon-to-be-born Son; he must have also used these days to prepare his heart, mind and soul for such a tremendous mission.

Today, we stand in a position not all that different from St. Joseph. We also know that the Messiah will be arriving--not just in remembrance at Christmastime, but in reality at the second coming. But unlike Joseph, we don't have an exact timeframe. We don't know when Jesus will return. We just know that we need to be ready!

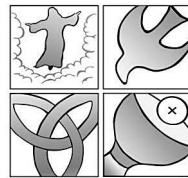

During the season of Advent we are challenged to recall this fact and strive to get our hearts in order. The days are short now until Christmas, and for all we know they might be short until Christ's return as well. What remains to be done? Aside from wrapping presents and planning parties, where do we yet need to tidy up our habits to properly celebrate the real meaning of this festive season? How can we make sure that we don't get swept away in the external preparations, forgetting the work that needs to be done in the invisible silence of our souls?

"Pues bien, el Señor mismo les dará por eso una señal: He aquí que la virgen concebirá y dará a luz un hijo y le pondrán el nombre de Emmanuel, que quiere decir Dios-con-nosotros" (Is 7, 14). Jesús es novedad absoluta venida de Dios. Novedad nueva creada y esperada de las diferentes generaciones de su tiempo histórico y de nuestro tiempo. De una genealogía que comienza desde Abraham y llega hasta José. En este último domingo de Adviento la liturgia domina por encima de todo el misterio de la Navidad que se ha ido preparando a lo largo de la historia. Tres personas ahora nos ayudan a vivir con alegría y santamente este misterio. María mujer fuerte en la fe y obediente hasta las últimas consecuencias. José que dejó sus dudas fuera sobre María y el hijo que ella esperaba gracias al ángel del Señor que se le apareció en un sueño. El rey Ajaz, como cualquiera de nosotros que cree pero tiene miedo a creer sobre el ofrecimiento que Dios hace de una señal.

¿Qué podemos aprender de ellos? ¿De qué forma pueden ser nuestros modelos en esta Navidad? Se puede decir que las lecturas de hoy nos invitan a una reflexión profunda sobre este misterio del Nacimiento de nuestro Salvador. La admiración es evidente cuando Dios viene a nuestra historia, y a nuestra vida deja huella y compromete a diferentes personas de diferente estilo de vida. Dios es fiel a su promesa y Jesús es puro don de Dios y eso debe ser la causa de nuestra alegría. El desconcierto que esto provoque de cualquier forma debe llevarnos a descubrir importantes elementos de fe. ¡Ven, Señor, no tardes en llegar!
